DECLARATION OF ALEXANDER K. CONVERSE UNDER 37 C.F.R. § 1.132

The undersigned, Alexander K. Converse, states as follows:

I am one of the five co-authors of the following posters:

A. D. Roberts, K. A. Dabbs, A. K. Converse, R. J. Nickles, and
M. J. Schueller, "Production of the Short-Lived Flow Tracer
Fluorine-17 Fluoromethane From Proton Irradiation of Neon,"
presented at 47th Annual Meeting of the Society of Nuclear
Medicine in St. Louis, Missouri on June 3-7, 2000).

I have read the above-identified application for patent published on March 7,
2002 as 2002/0028177 A1, and the claims at the end of the published application and declare
that I am not an inventor, either solely or jointly, of the subject matter claimed therein.

I hereby declare that all statements made herein of my own knowledge are true
and that all statements made on information and belief are believed to be true, and further that
these statements were made with the knowledge that willful false statements and the like so
made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United
States Code, and that such willful false statements may jeopardize the validity of the
application or any patent issued thereon.
